History -- Philanthropy

South Bay Quilters Guild was formed in 1979 in Torrance, California. During the past 45+ years we have donated hundreds of thousands of dollars from the proceeds of our yearly opportunity quilt and other activities to local South Bay charities. We have also donated thousands of quilts to children's charities, Quilts for Wounded Warriors, local police and hospitals, and other organizations.

We maintain an active education program for our members and guests through our monthly programs of nationally recognized speakers and workshops. Check our website for an updated list of programs and speakers.
